

# RUPERT BECNEL HIGH SCHOOL EMR SCHOLARSHIP

DEAR HIGH SCHOOL GRADUATE,

Are you interested in a career in the medical field but unsure where to start? An Emergency Medical Responder Certification can help give you a kick start and introduction into the medical field. Many of our own employees began as an EMR which later led them into careers such as:

- Military Medic
- Career Firefighter or Private EMT/Paramedic
- Nursing
- Offshore Medic
- Training and Education
- Industrial/Petroleum Industry

If so, this is a great opportunity to take advantage of to receive a free certification and training/experience.

Scholarship Requirements:

- Current High School Senior.
- 2.00 GPA minimum.
- Letter of support from a teacher or school administrator.
- Short bio about yourself and your career plan.
- Complete application and parent consent form.
- Complete a 400 word essay on the history and importance of EMS in Louisiana.

Course Info:

Week of May 19th-May 23rd OR June 23<sup>rd</sup> – June 27<sup>th</sup>  
48 hours Monday – Friday 06:30am – 04:30PM

\*Completion of course will certify you as a State of Louisiana Licensed Emergency Medical Responder, also BLS Healthcare Provider CPR.
